Caledonia Housing Association formed in 2011 following the merger of Servite Housing Association and Perthshire Housing Association. Building on the achievements and strong reputations of Servite and Perthshire, Caledonia is working to position itself as the major new force in housing in North East Scotland. We are now one of the largest housing associations in Scotland with a housing stock of almost 4,000 properties.

A registered Scottish Charity, we operate throughout Dundee, Angus, Perthshire and Fife, and in the Highland Council area, providing homes for rent and low cost home ownership opportunities. We also provide a wide range of housing and specialised support services. The continuing provision of new affordable homes is a key feature of our work.

As part of our on-going effort to provide excellent customer service, our newly formed, dedicated Customer Services Team based in the City of Perth was launched at the beginning of April 2012. Our customer services team are fully trained on every aspect of the business, and act as first point of contact for all enquiries. The team aims to deal with all calls quickly and efficiently.

Our people:

We currently employ 180 staff. 80 of these are office based carrying out a variety of roles within our Finance and IT, Operations, Asset Management and Business Services (including Customer Services) departments. The remainder are scheme based and include sheltered housing staff, caretakers and home-helps. We advertise any vacancies via our website, local/national press and various recruitment websites.
