Subject: Your Help Please - DHSCP Strategic and Commissioning Plan Review Survey

Dundee Health and Social Care Partnership Strategic Planning Advisory Group Request for views from Dundee Residents and their Carers.

We want to hear from people who use Health and Social Care Services in Dundee and from (unpaid) carers. Can you please share the information in this email as widely as possible?

Dundee Health and Social Care Partnership is responsible for delivering person centred health and social care services for adults Dundee. These supports and services are provided in an integrated way. Supports and services are delivered through direct provision from the workforce of Dundee City Council and NHS Tayside combined with services from the voluntary (or third) sector and from private sector providers.

The Health and Social Care Partnership is reviewing its Strategic and Commissioning Plan 2019-2022 ([full version](#) and [summary version](#)). As part of this review we want to hear from a wide range of people, in particular people who use Health and Social Care Services in Dundee and their families and (unpaid) carers.

We are aware that a lot has happened in the last 3 years, including the COVID-19 pandemic. Despite this, having updated our strategic needs assessment, we think that the health and social care needs of adults have remained very similar to the needs we identified in 2019 when we developed our Plan. We want to check whether you think that the vision, priorities and actions in the plan are still the right ones to support us to continue to deliver the right person-centred health and social care services for adults Dundee

We have a **short survey** and hope that you will complete this in order help to shape the future of health and social care services in Dundee.

The following link takes you to the survey.

[DHSCP Strategic and Commissioning Plan Review Survey | Dundee Health and Social Care Partnership \(dundeehscp.com\)](#)

Please share this email and the survey link with the people you work with, their families and unpaid carers as well as passing it on to others who could share the link further. The survey will **close on Wednesday 26th January 2022**.

If anyone wants to give their view but is unable to complete the survey on-line please contact Joyce Barclay on [07960389827](tel:07960389827). Your views will be taken over the phone. If your phone call goes to answerphone please leave your name and telephone number so Joyce Barclay can return your call.
