

## Dundee Fighting For Fairness

Some members of the 2017-2018 Fairness Commission have been working hard for the past year to become a registered charity: Dundee Fighting For Fairness (DFFF). Last month we celebrated the good news that now we are officially a charity registered with OSCR!

We are continuing the work of our recommendations around Mental Health, People & Money, and Stigma, and will also be informed and work with the current Fairness Commission on issues they are addressing. Because of the current pandemic, work is slower than we were hoping, and we are finding new ways to engage with the people of Dundee.
