

Finlathen Park

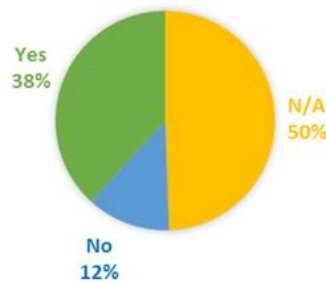

Question 3:

SHOULD THERE BE BIODIVERSITY GRASSLAND/NATURALISED GRASSLAND IN THIS GREENSPACE?

Question 4:

IS THE LOCATION OF THE PROPOSED BIODIVERSITY GRASSLAND / NATURALISED GRASSLAND IN THE RIGHT PLACE?

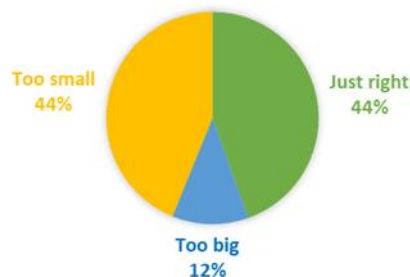

Question 5:

If it is not in the right place, please let us know where would be more appropriate. If you have no comment skip to the next question. Total responses = 3

Add an additional strip along both sides of the Dighty throughout the park to help wildlife corridor x1, it's not clear what the management regime is for the wooded areas - these should be managed for biodiversity x1, Nowhere near football pitches or play park. Best place would be where the old bmx track used to be at side of bridge at Fintry end x1

Question 6:

WHAT DO YOU THINK ABOUT THE SIZE OF THE PROPOSED BIODIVERSITY GRASSLAND / NATURALISED GRASSLAND AREA FOR THIS GREENSPACE?

Note:

- Question 4 and 5 – N/A refers to those who chose not to answer the question
- Question 6 – N/A stripped out to give picture of those that did answer
