Empowerment

Ward 4 Coldside

What Needs to Change?	Why?	What Will We Do?	Community Priority
<p>We need to respond to the cost of living crisis</p>	<p>Evidence from existing projects and recent engagement is demonstrates the struggle people have and the anxiety caused by the current Cost of Living Crises.</p> <p>Engage Dundee and Community Collective highlights the need for welcoming spaces for people to come and socialise.</p>	<p>Develop Partnership actions to mitigate the cost of living for residents in Coldside.</p> <p>Develop spaces where people can get advice, food and a place to be.</p>	<p>Cost of Living Health & Wellbeing</p>
<p>We need to improve life chances for children and families</p>	<p>Evidence in recent data suggests that there are a high number of children in Coldside Ward living in poverty.</p>	<p>Embed What Matters to You approach to transforming services for Children and Families in Coldside.</p>	<p>Health & Wellbeing Children & Families Cost of Living</p>

We need to improve local supports for people in recovery and their families	Information from engagement and data including ADP recommendations and the Review of Drug and Alcohol Services indicate that more can be done locally to support people.	Increased local provision available to support people affected by substance misuse and their families.	Health & Wellbeing
We need support for young people who have their own tenancies	Information from partner agencies indicate that young people have said they feel vulnerable moving into their first house and could do with some support.	A project is to be developed that will allow young people with their own tenancies to connect with the community they live in.	Health & Wellbeing Empowering Communities
We need quality green and open spaces that people can access in their own communities	Green spaces and parks are one of few places people can spend time in without spending money. Coldside has a variety of underused or poorly maintained spaces.	Increase and develop the number of growing spaces. Community involvement in managing and	Climate Change Health & Wellbeing Empowering Communities
We need a co-ordinated communication strategy	Engagement and consultation in the Community Collectives indicated that some residents do not have adequate information about services and activities in the area and there is a need for up-to-date information.	Create an Information Group for Coldside develop key information hubs across the Ward and support local people, groups and organisations to share information.	Empowering Communities
