Ward 7 East End

What Needs to Change?	Why?	What Will We Do?	Community Priority
We need to respond to the cost of living crisis	East End residents have shared their concerns about the impact of the rise in cost of living. SIMD 2020 data shows increasing levels of income deprivation in areas of the East End	<p>Develop multi-agency targeted actions to address low income in Linlathen</p> <p>Develop a response to the need for dignified access to food in Douglas</p> <p>Create a co-ordinated ward wide partnership response to the increase in cost of living</p>	<p>Cost of Living</p> <p>Children & Families</p>
We need local opportunities to be involved in learning, social and physical activities which promote wellbeing	East End residents feel that there needs to be more local opportunities which reduce social isolation, promote wellbeing and personal development	<p>Develop a partnership approach to increasing local opportunities</p> <p>Create a school of sport and physical activity model and Claypotts Castle Primary</p>	<p>Health & Wellbeing</p> <p>Children & Families</p>
We need to improve life chances for children and families	<p>Parents and carers have expressed a need for local family activities, Engage Dundee 2021 and Community Collectives 2021/22.</p> <p>Learning can be transferred from the WM2U the programme which was developed in Lochee.</p>	Embed What Matters to You approach to transforming services for Children and Families in East End.	<p>Health & Wellbeing</p> <p>Children & Families</p> <p>Cost of Living</p>

We need quality green and open spaces that people can access in their own communities	East End residents are passionate about their local environment and want to take action to improve the quality and usage of public and green spaces	Take collective action to develop and increase usage of public and green spaces Increase local opportunities for community growing	Climate Change Empowering Communities
We need local support for people experiencing poor mental health or who are affected by substance or alcohol use	East End residents identified this as a priority through Engage Dundee 2021 and Recovery Friendly Dundee 2020 consultations	Develop referral routes to an increased number of community based supports Develop programmes focused on reducing stigma in relation to mental health and addiction	Health & Wellbeing
We need opportunities for East End residents to be involved in decisions which affect their community	There is no Neighbourhood Representative Structure in the East End ward	Develop a Neighbourhood Representative Structure in the east End Involve local residents in the planning of the East End Community Campus Involve children and young people in local community planning	Empowering Communities Children & Families
We need a partnership approach to addressing issues of community safety in the East End	East End residents shared community safety as a concern through Engage Dundee 2020 and Community Collective 2021/22 consultations	- Develop partnership responses to community safety issues through the East Community Safety Partnership	Empowering Communities Health & Wellbeing
