DO THE RIDE THING

One thing that helps make Dundee's green spaces great for mountain biking is Scotland's much respected access legislation. Here's some advice from the Scottish Outdoor Access Code:

- Take responsibility for your own actions.
- Respect people's privacy and peace of mind.
- Help land managers and other work safely and effectively.
- Care for your environment. Do not disturb wildlife, leave the environment as you find it and follow the path or track.

We also ask:

- Keep off fragile tracks if they are wet and liable to erosion, try to stick to the line of the path.
- Please do your bit to keep our green spaces great.
- Be prepared to stop for other path users.

Route Specifics

- Monifieth Road is very busy. Cross with great care.
