Rings are an ancient symbol
Blessed and simple
Round like the sun
Like the eye,
Like arms that embrace
Circles, for love that is given
Comes back round again and again
Therefore, may these symbols remind you
That love, like the sun, illuminates
That your love, like the eye, must see clearly
And that your love, like arms that embrace,
Is a grace upon this world

Exchange of Rings

Ann / Vince I give you this ring
As a symbol of my love and commitment to you
In front of our family and friends here present
