

Rugby Terrace

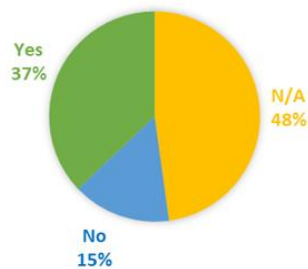

Question 3:

SHOULD THERE BE BIODIVERSITY GRASSLAND/NATURALISED GRASSLAND IN THIS GREENSPACE?

Question 4:

IS THE LOCATION OF THE PROPOSED BIODIVERSITY GRASSLAND / NATURALISED GRASSLAND IN THE RIGHT PLACE?

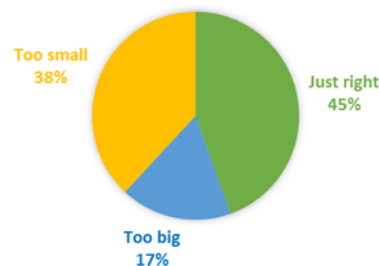

Question 5:

If it is not in the right place, please let us know where would be more appropriate. If you have no comment skip to the next question. Total responses = 3

If anywhere just along the edges x1, see Orchar x1, the area is too large and the park looks sorry as it is, I would rather the area would be made more attractive, ?move the mini golf from Castle Green there and expand the play area which becomes overcrowded every time the sun is out during the holidays x1

Question 6:

WHAT DO YOU THINK ABOUT THE SIZE OF THE PROPOSED BIODIVERSITY GRASSLAND / NATURALISED GRASSLAND AREA FOR THIS GREENSPACE?

Note:

- Question 4 and 5 – N/A refers to those who chose not to answer the question
- Question 6 – N/A stripped out to give picture of those that did answer
