# Welcome to The Space

home of The Scottish School of Contemporary Dance curriculum course, our community activity and professional venue The Space Theatre.

Our aim is to provide an environment where learners can thrive and be supported to achieve their fullest potential – both within formal **educational** settings and within our **community engagement**. We aspire to enable specialist high quality learning that raises expectation, enabling all learners to gain a broad range of skills.

The quality of our dance department has gained national recognition; there is a high level of both practical and pastoral support to help individuals get the best out of their training and to guide them to future personal development and career opportunities. There is a range of exciting and inspiring optional Master classes, Workshops and other performances opportunities made available to students at all levels.

**We offer a diverse range of courses from Higher Dance to BA (hons) completion degree in Contemporary Dance performance** and provide a support network of experienced professional tutors in a variety of dance styles. We also have strong links and partnerships within the creative industries including; Dundee Rep theatre, Scottish Dance Theatre, Shaper Caper Dance Company and Dundee Dance Partnership to name a few.
